Department of Insurance seeks comments to licensing process

BOISE ID – In response to [Executive Order 2017-06](#), the Idaho Department of Insurance will be reaching out to stakeholders for comment regarding the licensing and renewal process to ensure that the Department's processes do not create unnecessary barriers to commerce or employment. Information on how individuals can submit comments will be available on the Department's website, www.doi.idaho.gov.

"The Department of Insurance is tasked with protecting the public through laws and rules associated with licensing and oversight," said Department Director Dean Cameron. Comments will be taken into consideration during this review."

Acting Governor Brad Little issued the Executive Order on May 19. The Department will begin taking electronic comments on June 21. Written comments will be accepted immediately and should be addressed to:
